Turkey thigh and drummer - £3.33
Brie - £0.70
Gammon end - £1.78

We only used half of the Turkey and Gammon and we?ll be having a cold meat feast today, so we?re well within budget!

We slow roasted the Gammon in oil, salt & pepper. Allowed it to cool and sliced it. We then wrapped the Brie in gammon, boned the thigh and stuffed it.

Slow roasted and served with a vegetable tray bake this was a pretty hearty and tasty treat.

Sue is presently straining the stock she made with the bone?...
