

**Khubz Ragag is an flat bread which is traditional in Oman. It's very similar the Pitta bread in texture.**

### **Ingredients:-**

All purpose flour (we used Gluten Free)

Salt

Water

### **Method:-**

(1) Mix the Flour, Salt and water to make a mixture similar in consistency to a batter mix.

(2) If you have an Iron griddle heat it dry. If not we used the flat bottom of our (**Now not so non-stick!**) Wok

(3) Pour the mix and spread quickly into a rough circle.

(4) Flip once to brown slightly on both sides.
