As a bit of a joke I posted ? Your turn to make proper Bubble & Squeak Sue? on Facebook. Never challenge the Chef! Off she toddled to the freezer to rummage through the boxes of bits and bobs we keep from previous meals and came up with this All Day Breakfast gig.

Sausages
Garlic Button Mushrooms
Bubble & Squeak
Crispy grilled Bacon
Fried Egg
Baked Beans

Not surprisingly for us Chilli had found it?s way into some of the left over veg at some stage ? which was actually a great, if unexpected, addition! Price wise this meal probably cost us £1.50 each in fresh ingredients. The nearest equivalent I can find is at Stop The World Cafe at Leigh-On-Sea in Essex - ?The Belly Buster Breakfast? at £11.50.
