These offers are not avaiable all the time. But when they are Freezers are good!

Morroson's Foss Islands Way York :- As collected...

Clearly as we don't eat a vast amount of meat (We can't really afford to) This is going to be serveral days worth. Maybe a week?

So broken down and it is destined to the freezer. so it looked like this:-

5 meal portions for £2 each - I guess! Let's have a bit of fun. What have we done with this in the past?!

Well what could / can we do with it?

- (1) <u>Cassarole</u> Beef joints for 2/3 (**Just swap out the Turkey for your Beef Joint.**)
- (2) <u>Pasta Bolognese</u> is idea for the minced Beef.
- (3) <u>Pasties</u> are an option for the cubed Beef.
- (4) Chinese Fried Crispy Pork? (Sounds good to me!)
- (5) Then go a bit odd with Pork & Chorizo stir fry with the other chops!

All the other ingredients are really very cheap. But if we can get 5 days out of a meat pack at £10 to feed us and Buster, you're not doomed!
