

We don't often have snacks as such, but when we do, we do?..

Ingredients:-

A slice of left over Yorkshire Pudding each (We often have Yorkshire Pudding in the freezer)

Bacon

Grated Cheese (We had a bit of Extra Mature Cheddar we found in the discounts)

Chilli & Garlic oil (Sue makes her own)

Chilli flakes

Fresh Chives (They are in season at the moment and available in all the communal gardens locally)

Method:-

- (1) Cut the Bacon into strips and fry in a little Chilli & Garlic oil.
- (2) Sprinkle the Bacon over the Yorkshire Pudding.
- (3) Mix a few Chilli Flakes with the grated Cheese.
- (4) Place in the oven, or under the grill until the Cheese begins to melt.
- (5) Dress with fresh Chives.
