

Sunday RoastSalad!!!!

The sun showed an appearance briefly yesterday afternoon so we set a table up on the little balcony, got our shorts out?.. Oh no we didn?t!

There was a good portion of belly Pork left from the experimental Samgyeopsal we made on Saturday and some Ham from the local Continently shop in the fridge. So after a few slightly fiddly recipe a simple salad and hand cut chips went down a treat.

[Home made Coleslaw](#)

Grated Cheese

Tomato & Onion Vinaigrette

Lacto Fermented Red Cabbage

Hand cut Chip

Boiled Egg

Sliced meats.

What?s not to like? Quick easy and reasonably health.
